

PRAIRIE VIEW A&M UNIVERSITY

**Historically  
Underutilized  
Business Program**

# Program Goal

- Increase procurement opportunities for minority and women-owned businesses.
- Increase awareness of the University HUB goals on the campus.
- Encourage participation by actively working with both university staff and the vendor community.
- Assists businesses in obtaining HUB certification.
- Educates HUB vendors on doing business with a state agency.
- Ensures that prime contractors provide subcontracting opportunities for HUB vendors.
