

THE TEXAS A&M UNIVERSITY SYSTEM

Hui Wang, Ph.D.

Research Development Officer
The Texas A&M Engineering Experiment Station

Before joining the Texas A&M Engineering Experiment Station, Hui Wang was a postdoctoral researcher in the Department of Industrial and Systems Engineering at Texas A&M University. He received his doctoral degree in industrial engineering from Texas Tech University and his master's degree in mechatronic engineering from the University of Science and Technology of China. Before his doctoral study, he worked as a mechanical engineer for over five years at the Chinese Academy of Sciences.
