Welcome!

Welcome Art Montiel to the TAMU System! Art recently joined TAMU Corpus Christi as the Veterans Resource Coordinator. He is a veteran of the U.S. Army and earned a B.S. in Organizational Leadership following his service. Art believes that the student veteran population at TAMUCC is important and looks forward to capitalizing on its strength to increase services and visibility of veterans on campus.

Tell Me Something Good

SYSTEM SPOTLIGHT

Texas A&M AgriLife Extension Military Program

The Texas A&M AgriLife Extension Service – Military Program focuses on providing educational programs and resources to assist Veterans, Service Members and their Families as they face the many uncertainties of life. With some of the largest installations in the nation, in both landmass and population, The State of Texas, and specifically AgriLife Extension, is positioned to bridge the gap between building support systems and providing quality education, services and care to military communities.
